DEALERS MUST MARK WEIGHT ON PACKAGES OF FOOD

Bureau of Chemistry So Rules, Having Found Short-

age in Products Sold. Dealers in this city who wrap packmust mark them to show the net ing the year 1919 to date.

food is weighed and wrapped by the retailer at the time it is sold the purchaser has the opportunity to watch the weighing and know exactly how much is put in the package. It is not necessary for the retailer to mark the package when the purchaser witnesses the weighing and

the practice, which now prevails in many stores of wrapping the food in advance of the sale, however, the purchaser has no means of know-ing at the time of purchase how ing at the time of purchase how much food is actually in the package, the bureau says. Nor is there any means of proving, in the absence of a declaration on the package, how much food the package is supposed to contain if it should later develop that the package contains less food than the purchaser expected to get.

Marking Required by Law.

It is required by the federal food and drugs act that the quantity of all food coming within its jurisdiction which is in package form must tion which is in package form must be plainly and conspicuously marked be plainly and conspicuously marked in terms of weight, measure or numerical count, the bureau says. It is held that food which is wrapped previous to the time of sale is food ir package form within the meaning of the act, and each package must, therefore, bear a statement of the weight, measure or numerical count.

The statement of the weight or measure may be put on the package in any weight, measure or numerical weight, measure or numerical the statement of the weight or measure may be put on the package in any way most convenient for the dealer, provided it is plain and conspicuous.

The act provides penalties for selling packages in its jurisdiction containing less food than is stated on the package.

This ruling of the bureau of chemistry applies only to the District of Columbia, since the District is the only place in the United States where the place in the Unit

Act Changes Methods.

This act has brought about many changes in methods of manufacturing and labeling goods and drugs, not only in the United States, but in foreign

countries as well. Shipments of egg powders to this country from China recently disclosed the presence of zinc in the commodity. This resulted in the exclusion of some of the shipments to this country. try. Many manufacturers of China have now, however, so arranged the process of manufacture as to produce dried eggs, yolk and albumen free

EXPECT INCREASE IN DISCOUNT RATE COME.

Bankers Look for Federal Reserve Board to Order General Advance.

BY I. A. FLEMING. Bankers expect announcement by the Federal Reserve Board of a gen

eral advance in discount rates, as a step needed to reduce the great volume ages of sugar, rice, coffee, candy and of banking credit established during other food products prior to sales the last few years and especially dur-

of chemistry, United States Department of Agriculture.

It has been found by officials of the bureau of chemistry, who are coopertaing with the District officials in a campaign to stop short weight in food in the District, that in some instances contents of packages have been found to be short from one to half a pound.

Would Inform Purchaser.

The federal reserve bank of New York has increased its rates one-half to 4½ per cent, or from 4 to 4½ per cent, on loans secured by liberty bonds and victory notes, discounted for banks or for customers; from 4 to 4½ per cent on notes secured by Treasury certificates; from 4½ to 4½ per cent on notes, drafts and bills of exchange having a maturity of not more than ninety days, secured by liberty bonds or victory notes.

On trade acceptances of not more than ninety days' maturity the rate is increased from a few forms.

George M. Roberts, superintendent of weights and measures for the District, said he will co-operate with the Department of Agriculture in enforcing the federal law requiring food dealers to plainly label the weight on all goods put up in packages in advance of the sale.

The superintendent said he would have his inspectors watch local establishments and report any violations to the agricultural authorities. He pointed out that enforcement of the law lies with the Department of Agriculture.

States boinds, went up 5.3 millions, largely at the New York city banks. Loans secured by United States war obligations (core developed war paper), fell off 50.9 millions, the decline being more or less uniform all over the country. Loans secured by stocks and bonds show a further increase of 21.3 millions notwithstanding a reduction of 9.8 millions in this item reported for the New York city banks. The total of these loans, 3,162.4 millions, exceeds at present the aggregate of United States war obligations and war paper carried by the reporting banks. All other loans and investments, while 7.2 millions less at the New York city banks, show an

SOCIETY OF FINE ARTS GIVES SONG RECITAL

Unusual and Ambitious Program I Presented at First of Series.

The first of a series of five song recitals under the auspices of the Washington Society of Fine Arts was given last evening in the auditorium of the Central High School by Miss Greta Torpadie, Swedish soprano, ac companied by Mrs. George Peabody The program was both unusual and

ambitious, including Amarilli by Caccini, Violette by Scarlatti, a group of
five Swedish songs, air from "La
Traviata" by Verdi, "Le Clavecin" by
Dell 'Acqua, "Le The'" by Koechlin,
Debussy's "La Chevelure" and "Fantoches," and three negro melodies by
Guion, and Burleigh GREEN FRUITS—Apples, per bbl. new, 3.00a9.50; basket, 1.00a2.50; California lemons, per box, 6.00a7.50; plneapples, per crate, 5.00a6.00; California oranges, 5.00a7.00; grapefruit, 4.00a4.50; grapes, per basket, 30a35; do., Niagara, 25a30; Delaware, 30a35; honeydews, per crate, 2.00a3.50; lima beans, 50a60 per quart.

toches," and three negro melodles by Guion and Burleigh.

Miss Torpadie was at her best in the group of folk songs, which she sang in the Swedish language, reading an English translation in charming style and good diction before each song. Her command of mezzavoce is conspicuous for its fineness of execution and this was especially true in the lovely song, "Sne" (softfooted snow), by Sigurd Lie, which was repeated at the enthusiastic demand of the audience. mand of the audience.

The next recital will be given by Francis Rogers, baritone, on December 2. The program will be "English and American Songs, Old and New."

HIGHER WATER PRESSURE BELOW H STREET ASKED

Committee of Business Men Will Have Conference Soon With Commissioner Kutz.

The committee of downtown busi ness men who met in the Harrington bility of getting higher water pres-sure in the section south of H street has written to Engineer Commissioner Kutz for a conference to take up the

The request was forwarded by Rob ert N. Harper, president of the District National Bank, who was designated to head the committee. Commissioner Kutz said he would look into the matter and then fix a time to talk it over with the committee. The committee's letter in part follows: letter in part follows:

"On Wednesday night there was a meeting at the Harrington Hotel of the representative owners and managers of the large buildings and hotels south of H street northwest to discuss the question of high water pressure for those buildings to over-

ressure for those buildings to over-come the necessity for using pumps in forcing water to tanks on the roofs of those buildings. It is understood that this system is in practical opera-tion on the north side of H street.

"As most of those in attendance were uninformed as to what is neceswere uninformed as to what is necessary to establish the system south of H street, the undersigned committee was appointed to walt upon you for the purpose of ascertaining if the system which is now in successful operation on the north side of H street cannot be installed for operation in that section of the city south of H that section of the city south of H

FIFTY MAY JOIN CHAMBER. Names to Be Acted Upon at Direct-

ors' Meeting Tonight. Names of more than fifty applicants for membership in the Chamber of Commerce are to be presented at the meeting of the board of directors of the chamber tonight for final action Reports on the progress of the chamber's membership campaign were made at last night's meeting of the membership committee, of which Sidney West is chairman. According to the campaign plan ten members of the committee are required to obtain five new members each. At last night's meeting seven of the committeemen reported that their quotas are filled. reported that their quotas are filled
